

SPS International School, Sector 2. HUDA, Palwal

I touch the future and make them fly as
per there own talents and desire

SPS International aims to develop students ability to collect, assimilate and analyze for enriching their educational experiences

“I hear and I forget
I see and I remember
I do and I understand”

So, at **SPS International**, we make our students participate actively to create their own knowledge rather than being passive knowledge consumers. We thus aim at the holistic development of a child by empowering young minds.

OUR FACILITY

Library

The total number of books for both the libraries is a whopping with the number increasing with each passing day. The libraries have sections ranging from textbooks and reference books to fiction and general knowledge.

Computer Laboratories

There are three computer laboratories, one each for the students of the Pre-primary, Primary and Senior levels. All the laboratories are equipped with most modern machines. All the computers are connected via a Local Area Network. Internet facility is available for the academic needs of the students.

OUR FACILITY

Science Park

A facility that kindles young minds, is a cluster of interactive play models installed at one place. These models are based on scientific principles. The concept of the park is to teach science in an informal way with exhibits that cover many topics.

Kids Zone-The Pre Primary Play Area

Keeping in view the importance of large motor skill development at this tender age, there is a separate play area consisting of different colourful and attractive swings, a sandpit, an activity room and a splash pool.

LCD Room

It is an audio-visual room used to enhance teaching through the use of technology with the aid of a LCD Projector.

Sports Facilities

The school has the following facilities:

- Football
- Skating
- Volley Ball Court
- Basket Ball Court
- Cricket Net
- Yoga

OUR FACILITY

Infirmary

The school has a well equipped, clean two-bedded clinic with a qualified nurse to provide first-aid facilities to the students and staff.

The Clinic not only provides medical attention to those who are unwell but also conducts yearly health checkups for both students and faculty members.

OUR FACILITY

School Transport department

This department plays a pivotal role in coordinating the scores of school buses essential for ferrying students and faculty members from different parts of the city to the school and vice-versa. This department also holds the additional responsibility of arranging vehicles for visitors, for recreational activities like school picnics, and to send students to participate in various inter-school activities.

This department also holds the additional responsibility of arranging vehicles for visitors, for recreational activities like school picnics, and to send students to participate in various inter-school activities.

OUR FACILITY

Faculty

Best faculty from NCR has been deputed at SPS International to explore the potential of every child which is our prime goal. Staff members are updated and trained regularly and make our students aware of emerging trends in field of education.

EVALUATION SYSTEM AT SPS INTERNATIONAL

Continuous comprehensive Evaluation system is adopted by the school which not only includes academics by excellence also in the field of co-curricular activities.

Monitoring of every aspect of child growth and development is taken into consideration which include punctuality, mannerism, attendance, obedience, participation in various activities and mannerism.
